## About Maggie Moo's

Maggie Moo's award-winning ice cream starts with the finest ingredients to make super premium ice cream fresh in the Treatery every day. By making the ice cream on premises, there is no "distribution stress" or ice crystal formulation. Maggie Moo's is the only national retail chain to win five Blue Ribbon Awards from the National Ice Cream Retailer's Association: Vanilla, Vanilla Bean, Chocolate, Dark Chocolate, and Strawberry. Maggie Moo's employees hand-fold your favorite nuts, candy or fruit into the ice cream, right in front of you! They offer much more than ice cream, we offer smoothies, milkshakes, cakes, treats and more. And, Maggie often stops by to say hello to her fans and make sure everything is running to her satisfaction.
