

BRIDGE STREET TOWN CENTRE

Photography Policy

Personal Photography:

Personal photography at Bridge Street is allowed and even encouraged. We take great pride in the architecture, landscape and of course the merchants at our Centre. However, as part of our operational and security procedures, photos of storefronts or merchant signage throughout the Centre are strictly prohibited. Acceptable places for personal photography are as follows:

- Any of our architectural features such as our lake, fountain(s) and bridge
- The Carousel is also available for pictures, as long as the photo shoot does not disturb carousel operations (Mon – Fri during school hours are the preferred times).
- No photography of the Westin Huntsville courtyard is allowed.
- No pictures may be taken inside of any store

Professional Photography:

- Please schedule your shoot ahead of time with Bridge Street Customer Service. Please contact Alberta Parker at 256.327.8400 or via email at aparker@bridgestreethuntsville.com.
- Check in at Customer Service on the day of your shoot to sign in, pay any fees and pick up your badge. Customer Service will then radio security that you are on site. You must sign out and turn in your badge when you are done. If your badge is not turned in, you will not be allowed to shoot at Bridge Street Town Centre again.
- If you are looking for a weekend shoot (a more challenging time since we are busier then), advance arrangements must be made by 5:00 pm on Friday. It is recommended that you schedule your shoots Mon – Fri from 8 AM to 5 PM when the foot traffic is slower; it will be much easier on you and your client!

Your fee options include \$50 for one sitting, \$100 for a month-long pass or \$500 for a year long pass dependent upon your needs and the needs of your clients. All fees are due at time of sign-in. (We accept cash, Visa, Master Card, Discover and company checks.)

Please sign and date verifying that you understand the policy and agree to its terms and conditions.
