The week of April 25, Bridge Street is hosting a clothing drive to benefit Manna House Charity. Manna House helps to feed and clothe many of our city's homeless and those who are experiencing difficult times. Just stop by the customer service desk located near P.F. Changs to drop off your gently used clothing.

Musical entertainment provided by some of our popular pavement performers will provide music and fun for the whole family. And of course, there will be fantastic offers and special in-store events from over 30 stores.
